LUNCH

Restaurant 1st day to be selected

Lunch packet 2nd day

DINNER**SITE VISIT**

Bus transfer to:

BEST Forschungsstätte Wien-Simmering, 11. Haidequerstraße 6, 1110 Wien

A larger group of visitors has to enter the location via the main entrance gate of the Wien Energie plant. But this needs the approval of the plant management. That means, that all participants need to register for the site visit latest until 13th of April. People that will not be registered will not be allowed to enter the site.

For safety reasons the group size is limited to 30 people. All participants must complete a safety training beforehand (possible via an online tool). **The site may not be entered without the safety training!**

Furthermore, a protective helmet and safety shoes are mandatory. As long as only our area (BEST) is entered, sturdy shoes are fine.
